

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

Pending before the Court is Plaintiff's proposed discovery plan. *See* Docket No. 44. In light of the pending motion to stay discovery, *see* Docket No. 41, the Court hereby **DENIES** the discovery plan without prejudice. In the event the motion to stay discovery is denied, the parties shall file a renewed proposed discovery plan within 7 days of the order resolving the motion to stay.¹

IT IS SO ORDERED.

DATED: October 30, 2014

NANCY J. KOPPE
United States Magistrate Judge

¹ Although the Court does not herein rule on the proposed discovery plan, the Court notes that the parties incorrectly state that Local Rule 26-4 requires requests to extend deadlines to be filed at least 21 days before the discovery cut-off. *See Docket No. 44 at 4.* Any renewed discovery plan shall correctly state that any such request must be filed at least 21 days before expiration of the subject deadline sought to be extended (*e.g.*, a request to extend the expert disclosure deadline must be filed at least 21 days before the expiration of that deadline).
